I, J. A. Kerr of the City of Bellevalle in the

- I have, according to the best of my information and belief, set down in the above assessment roll all the real property liable to taxation situated in the municipality (b) of Bellevalle and I have justly and truly assessed each of the parcels of real property so set down at its actual value.
- I have estimated and set down, according to the best of my information and belief, in said assessment roll, the amounts assessable against every person named in said roll, for the purpose of the tax in respect of his trade, business, profession, or calling, and in respect of his income.
- I have entered therein the names of all the residents, tenants, and freeholders, and of all other persons of whose names I am aware or who have required their names to be entered therein, with the true account of property occupied or owned by each; and I have not entered the name of any person whom I do not truly believe to be a tenant or freeholder, or the bona fide occupier, or owner of the property, or in receipt of the income set down opposite his name, for his own use and benefit, or otherwise to be entitled by law to be so entered.
- According to the best of my knowledge and belief, I have entered therein the name of every person entitled to be so entered, either under The Assessment Act or any other Act; and I have not intentionally omitted from said roll the name of any person whom I knew or had good reason to believe to be entitled to be entered therein under any or either of the said Acts.
- I have entered in the said roll the date of delivery or transmitting of the notice required by section 49 of The Assessment Act; and every such date is truly and correctly stated in the said roll.
- I have not entered the name of any person at too low a rate in order to deprive such person of a vote, or at too high a rate in order to give such person a vote; and the amount for which each person is assessed in the said roll truly and correctly appears to the said notice delivered or transmitted to him as aforesaid.
- I have not entered any name in the above roll, or improperly placed any letter or letters in column 4 opposite any name, with the intent to give to any person not entitled to vote, a right of voting; and I have not intentionally omitted any person of the right of voting, omitted from column 4, opposite the name of such person, any letter or letters which I ought to have placed there.
